SUPPLEMENT TO
REPORT NO.

1. On 25 May during the battle for the Wanshan (Iadrona) Islands, the Communists lost two regiments of the 132 Division, from which 200 men were captured, one steamer was captured, and nine gunboats sunk.
2. As of 5 June, the Nationalists still held Outer Lintin Island and San Wen (114-00, 22-00), Miao Wan (114-00, 21-55) and Tan Kan (114-00, 22-00) Islands, with total shore detachments of about 1,500 men. They have a relatively superior naval force in the area, which they are reported to be reinforcing with the idea of defending the Wanshan Islands as long as possible.
